WALTON PROCESS CHICAGO.

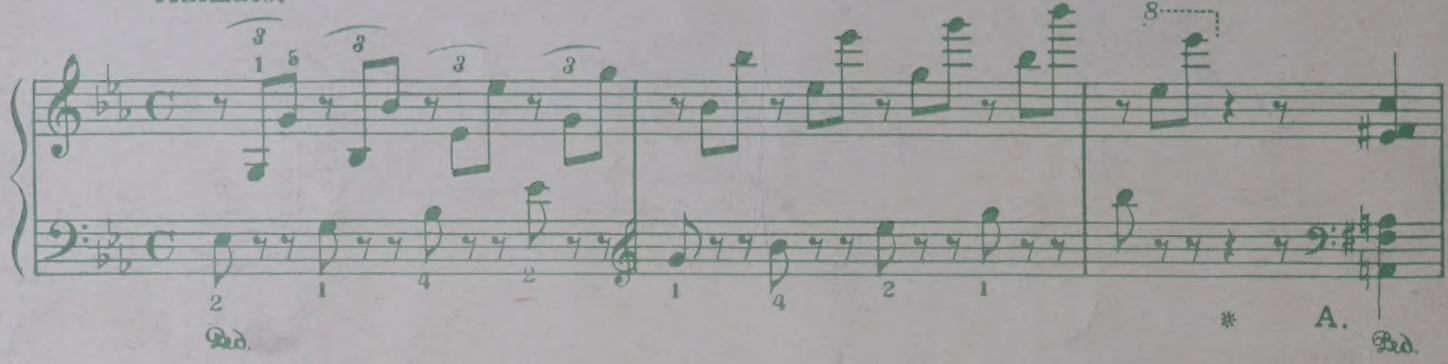
FALLING WATERS.

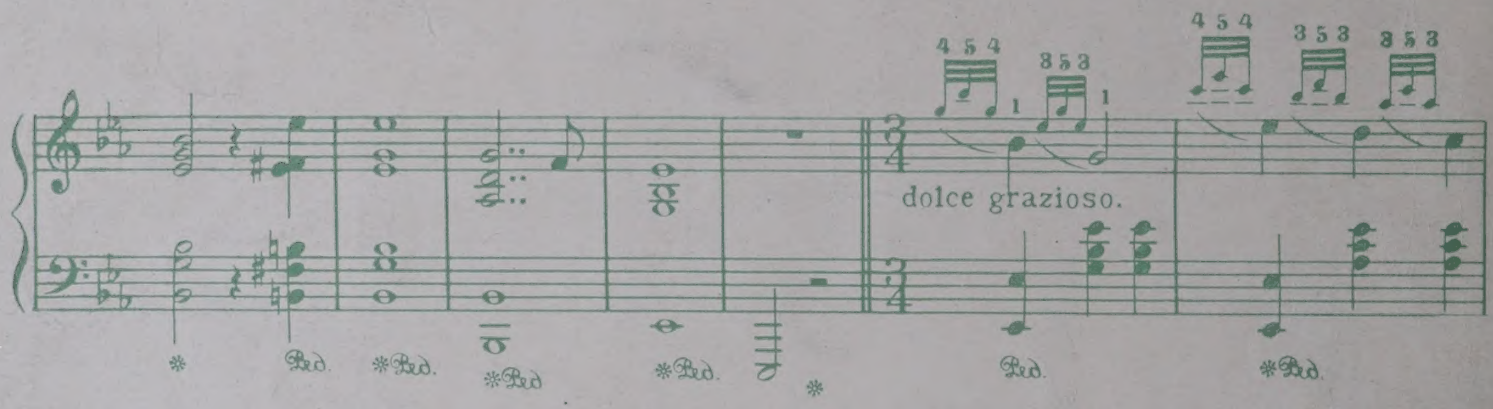
By TRUAX.

Revised and Fingered by Jacob Moerschel.

INTRO.

Animato.





A) The use of the syncopated pedal, as marked, will insure a more careful binding of the Melody, especially at such widely separated parts as between measures one and two.

B) The ornamental group is to be regarded as an after beat ornamentation, that is taking its value from the preceding note, not the following. For execution see page 4.
